## Oadby & Wigston U11 Girls

### **About The Team:**

Oadby & Wigston have enjoyed a good season so far, only losing once to their opponents in the cup final today! GNG beat Oadby 2-1 in their first match of the season, and they are looking forward to playing them again in what should be a great spectacle for all.

They have had a core of ten girls this season who play their hearts out every week and are very much a team. They enjoy training, have fun, work hard and are really improving as footballers. They have worked hard on playing attacking football based on passing forwards quickly and using the width of the pitch. Everybody in the club is looking forward to the final today and Oadby & Wigston would like to take this opportunity to thank all their parents and other relatives for standing on cold, wet touchlines every week cheering, supporting and encouraging.
